ABOUT THIS DOCUMENT

This Financial Services Guide describes Principal Wealth Group Pty Limited's financial planning and advisory services to assist you to decide whether to use our services. It describes how we are remunerated, our authorising licensee, our professional indemnity insurance and how we handle any complaints you may have.

What other documents are there?

When we provide you with personal financial product advice, you will receive a Statement of Advice (or in some circumstances a Record of Advice) which confirms our recommendations and how they will assist to achieve your goals. The Statement of Advice will also explain the risks of our advice and any remuneration we may receive if our recommendations are implemented.

If we recommend that you acquire a financial product, we will also provide you with a Product Disclosure Statement containing information about the product's features and risks. If we recommend the Fitzpatrick's Private Wealth Managed Discretionary Account service as being appropriate for you, further information including an additional Financial Services Guide will be provided to you.

In combination, these documents will assist you in making an informed decision about whether to proceed with our recommendations.

If you agree to pay us an ongoing fee for our services with no expiry date and our engagement continues for more than 12 months you will receive a **Fee Disclosure Statement** annually. This will confirm the services you were entitled to receive during the past year and the services your adviser actually provided, as well as the fees paid to your adviser for these services. Details of the services you are entitled to receive are also in your Ongoing Engagement Agreement. If you joined us as a client after 1 July 2013, every second year your adviser will ask you to confirm in writing that you wish to continue to engage us going forward. Our engagement will cease if you do not provide your confirmation for this to continue.

WHAT WE ARE AUTHORISED TO DO?

At the heart of our business is our passion to provide personalised, successful long term strategic financial planning to our clients.

Your adviser can liaise with your other professional advisers in relation to matters such as tax, insurance, estate planning. We are not, however, accountants, nor are we registered tax agents or lawyers.

To give you suitable advice, your adviser will work with you to determine your individual financial objectives and needs. To enable your adviser to work with you, you will need to provide relevant information as requested by your adviser. You are not obligated to provide this information, but if you decline to do so your adviser either may not be able to provide advice or the advice may not be entirely appropriate.

- **Justin Clynes (Authorised Representative number 415637)**

OUR ADVICE PROCESS

This will begin with initial meetings with you to assess if your objectives and needs can be met by our professional services. The discussions will also help you to determine if you wish to engage us to assist you to achieve your objectives.

It is important for you to understand that the discussions in our initial meetings will only be in general terms. This means you should not act or make any decisions until you receive personal advice. This will occur after we have thoroughly investigated and considered viable strategies and products that aim to meet your goals and objectives.

REVIEWS

We cannot promise that the recommended strategy and your investments will remain suitable for you over time. Also, more suitable investments for you may become available.

For this reason, your adviser may recommend that you engage us to review our advice on an ongoing basis and we strongly recommend you consider this. Likewise, you should contact your adviser whenever your circumstances change to see if your strategy or investments need to be adjusted.

HOW DO YOU INSTRUCT US?

We act for you when providing our services. You may give us instructions in writing, by post, fax or email. Sometimes your adviser will be happy for you to tell them what you want to do over the phone or in person.

FEES AND COSTS

Fees for our Advice

Our advice process has your interest, goals and life aspirations at its heart. One of its most valuable outcomes is delivering a comprehensive financial road map, actions plans, and guidance to help you achieve your lifestyle and financial goals. The advice fee is calculated based on your individual needs and requirements, and the extent of financial services provided to you.

Before commencing work for you, we will discuss and agree with you the scope of the services that you have asked us to provide, the cost of providing those services and the method of payment. We will confirm this in an Engagement Agreement

As a general principle we separate our Advice Fees into three areas; being Initial Advice, Implementation of Advice, and Ongoing Advice. This provides greater visibility of the individual aspects of the advice expertise and services we provide to you. Other fees for any advice or work carried out by other professionals, after consultation and agreement with you, will be separately invoiced to you by that other professional.

Initial Advice

The work undertaken to explore your current financial situation, your goals and objectives, and assessing the suitability of options for you is extensive. The minimum fee for our Initial Advice service is \$2,750 including GST.

Implementation

We may charge a fee to cover the cost of implementation of our advice. The fee will vary depending on the level and complexity of work involved. This fee, if applicable, is a minimum of \$500 including GST.

Ongoing Advice

Establishing your financial strategy is important. Equally important is ongoing advice to cater for changes in your personal circumstances, legislation, economic and financial conditions.

The Ongoing Advice service we provide to you will depend on your situation. We charge a minimum fee of \$1,650 per annum (including GST) or \$137.50 per month (including GST).

Alternatively, we may calculate the Ongoing Advice Fees as a percentage of the value of your investments, using a flat percentage approach.

We charge a maximum of 1.8% per annum including GST of the value of your investment portfolio. The fee is charged monthly in arrears based on the average daily value of your portfolio during the preceding month. A minimum fee of \$1,650 per annum (including GST) applies. So for example, if your portfolio value is \$500,000, the maximum you would pay is \$9,000 per annum or \$750.00 per month, including GST.

Personal Insurance Services

We accept commissions from the insurers for the personal insurance advice and services we provide to you. The amount varies between insurers. As an indication, we receive up to 80% of the first year's premium to reflect the amount of work we undertake when advising on and arranging the insurance and up to 30% of the ongoing annual premium thereafter, both excluding taxes and statutory charges.

These commissions are included in the premium for the policy.

The table below illustrates how our commission would currently be calculated for a policy costing \$2,000 in year 1 and increasing to \$2,200 in year 2.

| | Year 1 | | Year 2 | |
|---------------------------|---------|---------|---------|-------|
| Premium | \$2,000 | | \$2,200 | |
| Upfront Commission | 80% | \$1,600 | - | - |
| Ongoing Commission | - | - | 30% | \$660 |

Where these commissions can be negotiated with the product provider your adviser will agree the amount of up-front and ongoing commissions with you. These will also be set out in your advice document.

Referral Fees

We receive a referral payment from Lightyear Finance Pty Ltd (ABN 16 623 985 811) for any loans, mortgages or finance services they provide to you. We accept payment in the form of commission equal to 30% of any upfront and trail commission paid to Lightyear Finance Pty Ltd from the financial institution paid at loan settlement. The amount varies between financial institutions.

The table below illustrates how our commission would currently be calculated for a loan of \$500,000 settled in year 1 and retained in Year 2.

| Loan Value - \$500,000 | Year 1 | | Year 2 | |
|---|---------|-------|--------|-------|
| Upfront Commission received by Lightyear Finance | \$3,250 | | - | |
| Ongoing Commission received by Lightyear Finance | - | | \$750 | |
| Upfront Commission shared with Principal Wealth | 30% | \$975 | - | - |
| Ongoing Commission shared with Principal Wealth | - | - | 30% | \$225 |
